### **Virgin Islands Attractions — So Much to See and Do!**

Every day thousands of visitors to our islands enjoy a myriad of things to do, see and experience. These attractions are a large part of why the US Virgin Islands are such a popular tourist destination. Yet, how many of these world class attractions have we who live here visited?

When looking for things to do besides watch TV, surf the net or visit a beach, consider taking a hike to the Annaberg Ruins in the St. John National Park or discovering the underwater world of the Buck Island Reef National Monument. For an active day in the sun, rent a kayak at Salt River Bay or snorkel or dive with Cruz Bay Watersports. If you're more into natural beauty, see it by horseback, by tramway or by foot.

Learn more about your islands at the St. George Village Botanical Gardens, the Butterfly Garden, Fort Christiansvaern, or at the historic Hassel Island Coaling Station. Looking for a fun day for family? There's so much to do and see at Coral World Marine Park. Have you hugged a Sea Lion today?

Virgin Islanders and our guests are lucky to have so many options available to us from fishing, golfing, boating, horseback riding or just taking in a beautiful view. This attraction ticket celebrates just a few of the Virgin Islands top attractions that should be on everyone's "Must Do" list.

The Virgin Islands Attractions ticket goes on sale April 28th with the drawing to be held on Thursday, May 12th. Tickets are \$1.50 each or \$30 for the entire sheet. The grand prize is \$175,000 with a total of \$330,000 in prizes available. Tickets are available at dealers outside any VI Lottery office, Anna's Market, Utter Delight, Caribana, MoneyGram locations and other dealers.
