For Immediate Release:

VI Lottery's Famous June Extra Ticket Now on Sale.

The most anticipated Lottery drawing of the year is officially on sale! The Virgin Islands Lottery's June Extra drawing titled the "Hottest Ticket in Town" offers over \$1 million in cash and bonus prizes. Other than larger cash prizes including the grand prize of \$500,000, the "Extra" drawing also include bonus prizes for purchasing a full sheet of tickets. June's bonus prizes include a free year of gasoline, a super-sized stainless barbeque grill, a 50" flat screen TV and three individual prizes of \$10,000 each.

The VI Lottery holds two "Extra" drawings per year, in June and at Christmas. According to Conrad Francois, Director of the Virgin Islands Lottery, this will be one of the "hottest" tickets yet. "We polled the community and the things they would most like to win are cash and free gasoline. Thus we have included a lot of cash prizes to encourage people to "imagine the possibilities" of what they would do with as much as \$500,000, which is the grand prize."

Additional top cash prizes include a second prize of \$90,000; third prize \$70,000; fourth prize \$50,000; and fifth prize \$30,000. There are many other ways to win which are detailed on the VI Lottery website at www.winusvilottery.com.

The ticket that goes on sale is one of the "hottest tickets" as well, featuring 19 colorful and vibrant men and women in Carnival costumes. A contest was held to select the voter's favorite photos as entered on the Lottery's website. The winners can be seen on your June Extra ticket and online. You'll see beautiful shots of Fun Lovers, Infernos, Guardians of Culture Mocko Jumbies, Hugga Bunch, Caribbean Ritual, Fetasique, Real Mas, The Jesters, Gypsy Carnival, Lockhart Associates, and Traditional Indians.

The June Extra "Hottest Ticket in Town" is on sale now at retailers including Anna's Market, Udder Delight, Caribana and MoneyGram as well as the many dealers in front of Lottery offices and other convenient locations around the islands. A full sheet of tickets is sold for \$50 and entitles the bearer to the bonus prizes. Individual tickets are \$2 each. Winners will be drawn on June 23 and posted on the Lottery site at www.winusvilottery.com later the same day.
