Mr. Conrad Francois II, Executive Director would like to inform the general public of the public meetings to be held on all three islands to discuss two new games (Mega Millions and Super Lotto) recently approved by the Lottery Commission. On Tuesday, August 31, 2010 the meeting will be held on St. Croix at the Curriculum Center located between the Central High and Superior Court.

On Wednesday, September 1, 2010 the meeting will be held on St. Thomas at the Public Service Commission conference room located at Barbel Plaza.

On Thursday, September 2, 2010 the meeting will be held on St. John in the Legislative Building.

All meetings will commence at 6:00 p.m. Director Francois urges the general public to attend and be educated about the new games.

Cordially,
